5. [ ] William Hogan, House Armed Services Committee staff, called to say Representative Bob Daniel (R., Va.) would like an early briefing on the Sino/Soviet threat. He said Admiral Moorer was appearing before the Committee on this subject today and Daniel would like to hear from the Agency as soon as possible thereafter. He suggested I call Daniel to make a date.

Regarding our retirement legislation, Hogan said the Subcommittee would probably take it up next week and soon thereafter get it reported out by the full Committee, but it might not reach the floor until early May, after the Easter recess.
